B. Consent to Collection, Use and Disclosure of Personal Health Information

The personal information contained in this form (with any supporting documentation provided) and other personal information held by the Alberta School Employee Benefit Plan (ASEBP) is used to determine eligibility for this benefit, to provide you with information regarding additional resources available to you through your benefits (e.g., Employee Family Assistance Program, Apple-a-Day) and administer the benefit plan. It may be necessary for ASEBP to disclose your personal information related to this notification to a third party service provider. When third party service providers are retained, appropriate contracts are in place to protect personal information.

I authorize my prescribing physician, pharmacist and/or the manufacturer/patient assistance program (if 'yes' was selected in the applicable area of the Coordination of Benefits section above) to disclose to ASEBP the information noted herein and any further information requested by ASEBP for the purpose of managing this enhanced special authorization request.

I understand why the information is required and am aware of the risks and benefits of providing this information. I consent to the collection, use and disclosure of my personal information for the purposes identified above. I understand that I may revoke my consent at any time and acknowledge that doing so will affect my/our eligibility to receive benefits related to this special authorization request.

I agree this authorization shall be in effect from the date below and shall be valid for the duration of time required to manage this request.

I understand that by virtue of the provisions of the *Personal Information Protection Act* of Alberta, my dependants are deemed to consent to the collection, use and disclosure of their personal information for the purpose of enrolment in and coverage under the group benefit plans, through me as the applicant.

I agree to the above and declare that my statements in this form are complete, accurate and true.
