The ASEBP Trustees' Report provides an overview of topics discussed at all ASEBP Trustees' Meetings. These meetings provide the opportunity for ASEBP Trustees to come together to discuss matters of importance at ASEBP—from the financial health of the benefit plan to the introduction of new benefits and programs. While all information in each report is an accurate account of decisions made at the meetings, there can be changes that occur between first and second readings of certain topics, which may result in differences between their reporting.
